

Declaration

Attachment for Product

M2M Router PRO®

We

WM Systems LLC.

HUNGARY 1222

Budapest, 8. Villa str.

declare on our own responsibility, that the communication module / router

M2M Router PRO

is technically the same product / PCB as the **M2M Router®** as it is certified in RoHS conformity (No. PO 161110-27) and Test Report (No. 28232953 001).

The **M2M Router PRO®** family members are based on the **M2M Router** PCB mainboard, which could have connected optional expansion boards without any effects or changes in the device operation and environmental emission/radio spectrum matters.

Hereby, we prove the verification that this product is the same as it has written, and the listed and certified documents are also relevant for the **M2M Router PRO®** product family members in spite of the changed product name.

The further relevant necessary technical properties are listed and proven by attached documents in the **Declaration Conformity** of the product.

The product has signed with CE certification log.
